Ambulatory Primary Care Clerkship IDC 301

Ambulatory Family Medicine Clerkship

Once of the citations required on each of your three SOAP notes is the cost of lab, radiology or a procedure.

It has come to my attention that the myalegent07.com site now requires a user name and password to access the site. I did several google searches and found these sites that may be helpful when researching the cost of lab, radiology or procedure. None of them require you to log in.

Some tests and procedures costs

Some MRI, CT, PET radiology costs

Please contact me if you experience trouble with any of these sites.
